Dear CIRP Colleagues,

On behalf of the CIRP Council, I am writing to inform you of some changes which will be implemented to the policy for the invitation of Guests at the Winter Meetings in Paris. As President Altintas alluded to at the General Assembly in Lugano, the Board and the Council for the last several years have monitored the continually rising attendance at the Paris Meetings. It is felt that the current situation is limiting the effectiveness of the STC Meetings.

In an attempt to curb the increasing attendance, the Council has approved the following changes to the attendance policy:

1. **Only Fellows and Honorary Fellows can invite 1 Guest from their own country. The inviting Fellow must also be present at the Winter Meeting.** In case a country does not have Fellows or Honorary Fellows, the President can invite the proposed guest.
2. The number of attendants from Corporate Members cannot exceed two persons who must be employees of the company.
3. The fee for Guest attendance will be **300 Euros**.
4. As before, a justification for the Guest's attendance must be provided.

This policy change is only for the Winter Meetings, and will be effective from now on.

Best regards,

Professor Don A. Lucca  
CIRP President 2017-2018
